

Husain Gholoom

Professional Experience

- Computer Science Lecturer** August 2012 - Current
Computer Science Department Texas State University – San Marcos
- Teaching Fundamentals of Computer Science , Foundations of Computer Science , Data Structures , and Unix Classes
- Computer Science Lecturer** September 2005 – September / 2010
Computer Science Department PAAET - Kuwait
- Taught Operating Systems, Java, Advanced Java, Advanced COBOL, Pascal, Advanced Pascal, and Databases Management Systems , Introduction to Computer Science , and Computer Science Application (Microsoft Office Suite – Word , Excel, PowerPoint, Access) courses
 - Prepared class schedule for the Computer Science Department
 - Served as member of Higher Committee for Revision and Follow-up of Class Scheduling and Final Examination for College of Business Studies
 - Advised and Provided students with information to assist them in successfully completing the requirements for degree within the Computer Science Department
 - Designed, developed, and implemented a website for College of Business Studies, and also implemented Faculty Database Management System for PAAET using Microsoft Access
- Instructor & Vice Chairman** February 2001 – August 2005
Computer Science Department PAAET - Kuwait
- Taught advanced COBOL, Pascal, and Databases courses
 - Resolved Computer Science Departmental issues with students and various other departments of the college
 - Served as a member of recruitment committee
 - Prepared class schedule for the Computer Science Department
 - Advised and Provided students with information to assist them in successfully completing the requirements for degree within the Computer Science Department
- Computer Science Instructor** October 1997 – January 2001
Computer Science Department PAAET - Kuwait
- Taught Introduction to Computer Science, Computer Science Application (Microsoft Office Suite – Word , Excel, PowerPoint, Access) , COBOL, Advanced COBOL, Pascal, Advanced Pascal, and Databases Management Systems courses
 - Prepared class schedule for the Computer Science Department
 - As a member of Lab Committee, made sure that all the labs were working properly and reported any problems to the technicians
 - Organized Computer Exhibition and established computer tutoring center
- System Engineer** August 1995 – December 1997
Electronic Data System Plano, Texas, USA
- Designed, developed, tested, deployed ,trained, and supported backbone financial systems for banks.
 - Trained team members on the usage of the system
- Customer Support Representative** February 1995 – July 1995
Computer Task Group Dallas, Texas, USA
- Helped customers in resolving problems that were related to Microsoft Access and Microsoft Access Programming.
- Analyst Programmer** September 1977 - December 1981
Ministry Of Planning Kuwait
- Investigated and studied, designed, developed, tested, deployed , trained, and supported Payroll System for the State Of Kuwait
 - Investigated and studied Computerization system for Kuwait municipality
-

Software Skills

- Borland JBuilder, Borland Delphi , NetBeans, Micorfocus Cobol , MySql, Microsoft Expression Web 2.0, Microsoft Office Suite , Eclipse , CodeBlocks
-

Programming Skills

- Java, C, C++, Cobol, Pascal, HTML, Visual Basic , Microsoft Access
-

Conferences Attended

- The E Learning Symposium 2010 - May 26th , 2010 - Austin Texas USA
 - Eista 05, The 3rd International Conference on Education and Information Systems : Technologies and Application. July 14 - 17 , 2005 , Orlando, Florida.
 - Moving to a Web-based Learning : A conference for Educators , June 24 - 26 2003 , Indiana , USA.
 - WebNet 2000 , World Conference on the WWW and Internet , October 30th - November 4th 2000, Texas, USA
-

Training Courses Attended

- Advanced Java Tools : January 5th - January 13th 2010 , Kuwait.
 - Worldwide Instructional Design System (WIDS) : March 24th - March 28th 2007 , Kuwait
 - Skills of Questions Writing : November 27th - November 29th 2004, Kuwait
 - Educational Technology : March 24th - March 26th 2001, Kuwait
 - Scientific Research Methods : March 6th - April 27th 1999, Kuwait
-

Training Courses Taught

- Office Suite (Word, Excel, Power Point, Access), Java , Visual Basic , MySql
-

Foreign Language Skills

- Fluent - Reading Writing and Speaking English and Arabic languages.
 - Fluent - Speaking Persian Language
-

Technical Reports

- Automated Dubbing Methodologies - New Mexico State University - USA.
 - College Timetabling Information System PAAET - Kuwait.
-

Education

- **MS Computer Science** - New Mexico State University – GPA 3.889 / 4.0
 - **MS Computer Science** - Minor Mathematics - Texas State University - GPA 3.33 / 4.0
 - **BS Computer Science & Mathematics** - St. Edwards University – GPA 3.07 / 4.0
-
